The Embassy of India in Budapest, Hungary, presents its compliments to the Ministry of Foreign Affairs of the Government of Bosnia & Herzegovina and has the honour to inform that World Trade Centre Mumbai and All India Association of Industries (AIAI) are jointly organizing the 7th edition of the **Global Economic Summit on the theme 'Global Value Chains: Accelerating SME Growth and Development'** from February 22-24, 2018, at World Trade Centre Mumbai.

The highlights of the three-day Summit are Conference, Exhibition, B2B Meetings, industry/field visit, and release of Handbook on Global Value Chains (GVCs). In this age of globalization, production and services network has transcended national boundaries and the entire world has become one integrated value chain. International trade is increasingly driven by trade in value added goods and intermediate goods as well as trade in services. The Summit will provide an opportunity to develop and profit the Micro, Small & Medium Enterprises (MSMEs) potential to export and explore joint ventures, franchises and create the much-desired awareness on GVCs as the accelerator for exports.

The 7th edition of the Global Economic Summit will stimulate a multi-dimensional discussion on the opportunities and challenges for SMEs to connect with the global value chains. The Summit will discuss the significance of GVCs in attaining sustainable development goals, emerging opportunities for SMEs in the GVC, imperatives of access to finance, infrastructure and logistics services, government policies as catalyst for GVCs, GVCs in the age of technological revolution.

It would be appreciated if a high level delegation headed by a Minister, and comprising of businesses / entrepreneurs / officials from Bosnia & Herzegovina attends the visit.

We would also appreciate if the information on the event could be widely disseminated amongst the Trade Promotion organizations and Chambers of Commerce in Bosnia & Herzegovina.

The Embassy of India in Budapest, Hungary avails itself of this opportunity to renew to the Ministry of Foreign Affairs of the Government of Bosnia & Herzegovina, the assurances of its highest consideration.
