

ECMT EDI – Elektronska razmjena podataka o CEMT multilateralnoj kvoti

- Pojašnjenje načina pretraživanja -

Pristupom ECMT – EDI, putem linka <https://countrylicences.itf-oecd.org/> otvara se osnovno pročelje pod nazivom “ECMT Multilateral quota – Electronic Data Interchange”, na kojem su trenutno postavljena tri linka, gdje je pored izvještaja, odnosno pretrage informacija o nekoj CEMT dozvoli <https://countrylicences.itf-oecd.org/edi/report-license>, zbirnim izvještajima o izdatim CEMT dozvolama po državama <https://countrylicences.itf-oecd.org/edi/report-issued>, postavljen i link na službeni web stranicu ITF.

Području, gdje je moguće pretraživati po broju CEMT dozvole, za svaku državu članicu, a koje je barem trenutno javno dostupno, pristupiti se može i direktno, putem linka <https://countrylicences.itf-oecd.org/edi/report-license>.

Prilikom pretraživanja ovog područja, potrebno je odabrati godinu, državu, broj dozvole i odabrati da li se radi o godišnjoj (annual) ili kratkoročnoj tj. mjesecnoj (Short-term) CEMT dozvoli. Prilikom unosa broja dozvole mora se voditi računa o sljedećem – npr. broj dozvole 00004 se mora unijeti samo kao 4, bez prethodne četiri nule. Ukoliko bi unijeli kompletan broj sa prethodnim nulama, kao rezultat bi dobili napomenu o spornom unosu broj dozvole:

The screenshot shows a web browser window with the URL countrylicences.itf-oecd.org/edi/report-license. The page title is "ECMT EDI". The main content area is titled "Licence report". There is a red error message at the top: "The number must be an integer.". Below it is a form with the following fields:

- Year:** 2020
- Country:** Bosnia-Herzegovina
- Number:** 00004
- Type:** Annual

Below the form is a button labeled "Show". At the bottom of the page, there is footer text: "© International Transport Forum / OECD 2018" and "Developed by BBF ZEAT Ltd.".

Zato je potrebno unijeti samo broj 4 bez prethodne četiri nule, kao što je prikazano na narednoj slici:

The screenshot shows a web browser window with the URL countrylicences.itf-oecd.org/edi/report-license. The page title is "ECMT EDI". On the right, there are links for "English", "Login", and "ECMT EDI - Licence report". The main content area is titled "Licence report" and contains a form with the following fields:

- Year:** 2020
- Country:** Bosnia-Herzegovina
- Number:** 4
- Type:** Annual

Below the form is a blue "Show" button. At the bottom of the page, there is a footer with the text "© International Transport Forum / OECD 2018" and "Developed by BBF ZEAT Ltd.".

Primjera radi, nakon unosa podataka u gore vidljiva četiri polja (2020.godina – Bosna i Hercegovina – broj dozvole 4 – Vrsta dozvole „Annual“ tj. godišnja), klikom na „Show“, dobićemo informacije o navedenoj dozvoli, prikazane na narednoj slici:

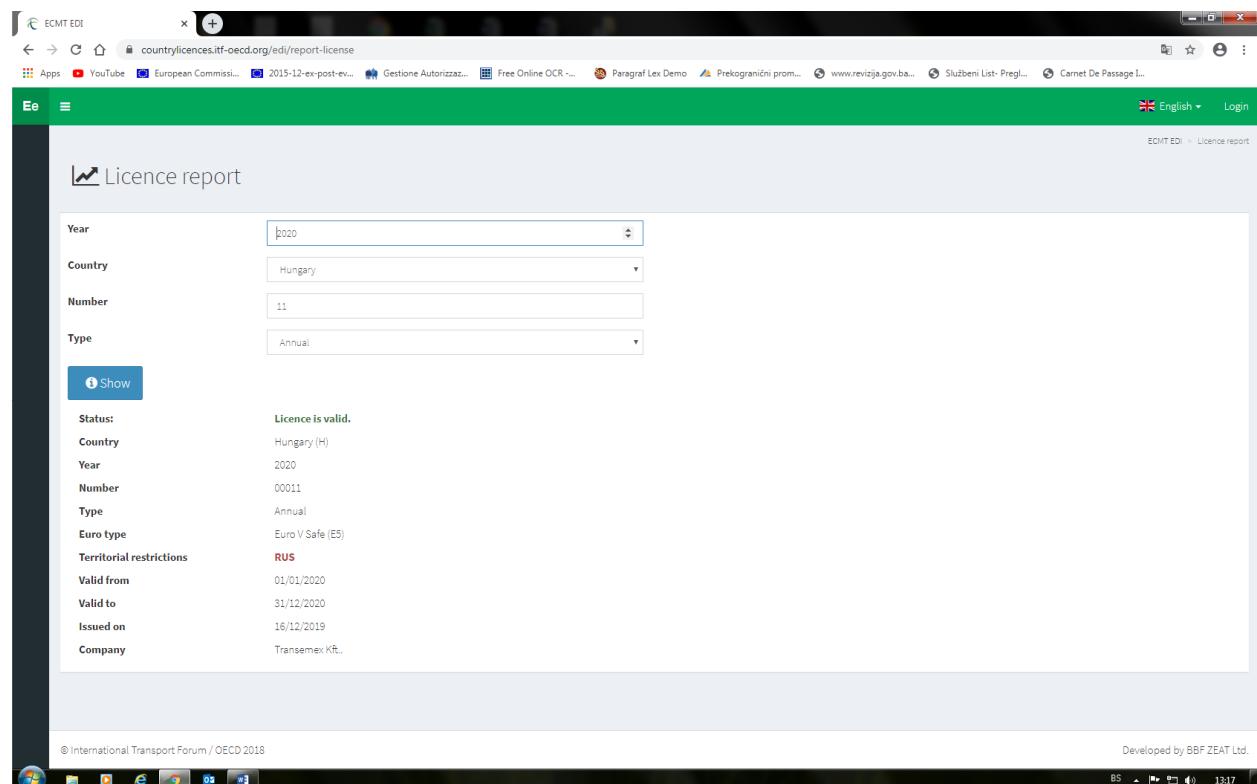

The screenshot shows the same web browser window after clicking the "Show" button. The results are displayed in a table format:

Status:	
Country	Bosnia-Herzegovina (BiH)
Year	2020
Number	00004
Type	Annual
Euro type	Euro V Safe (E5)
Territorial restrictions	GR, H, I, RUS
Valid from	01/01/2020
Valid to	31/12/2020
Issued on	19/12/2019
Company	(empty)

At the bottom of the page, there is a footer with the text "© International Transport Forum / OECD 2018" and "Developed by BBF ZEAT Ltd.".

Na osnovu rezultata pretrage, jasno je da je dozvola važeća, da je zemlja izdavanja Bosna i Hercegovina, da vrijedi za 2020.godinu, da je stvarni broj dozvole 00004, godišnja je i to EURO 5 dozvola, da ne vrijedi za Grčku, Mađarsku, Italiju i Rusiju, da važi od 01.01.2020. do 31.12.2020.godine. Naveden je i datum izdavanja, dok podatka o kompaniji kojoj je izdata – nema.

Pojedine države već imaju unesen i naziv kompanije koja raspolaže predmetnom CEMT dozvolom, kao u ovom prijemjeru Mađarske:

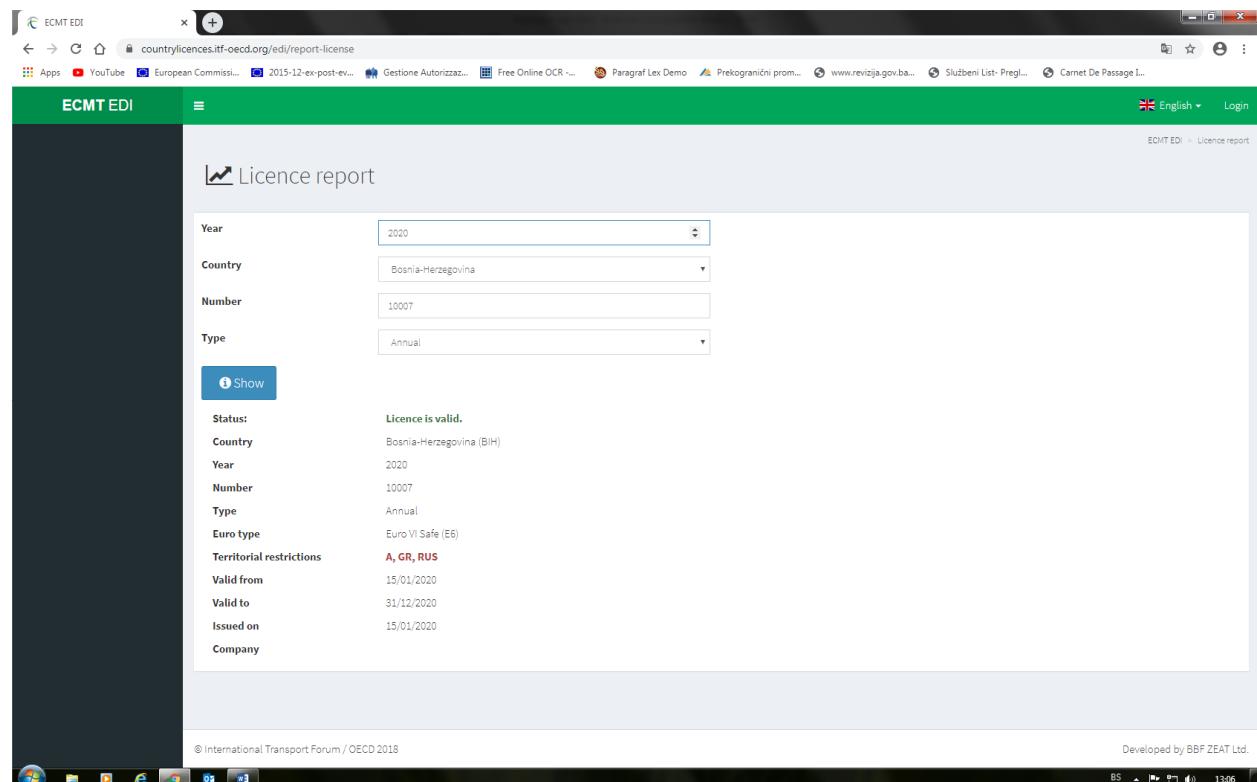

The screenshot shows a web-based application titled "ECMT EDI". The main title bar says "countrylicences.itf-oecd.org/edi/report-license". The top right corner has a "Login" button and a language selector set to "English". Below the header, there's a green navigation bar with icons for "Licence report", "Report", "Help", and "Logout". The main content area is titled "Licence report". It contains four input fields: "Year" (2020), "Country" (Hungary), "Number" (11), and "Type" (Annual). Below these fields is a blue "Show" button. To the right of the "Show" button is a table showing detailed license information:

Status:	Licence is valid.
Country	Hungary (H)
Year	2020
Number	00011
Type	Annual
Euro type	Euro V Safe (E5)
Territorial restrictions	RUS
Valid from	01/01/2020
Valid to	31/12/2020
Issued on	16/12/2019
Company	Transemex Kft..

At the bottom of the page, there's a copyright notice: "© International Transport Forum / OECD 2018" and a developer note: "Developed by BBF ZEAT Ltd.". The bottom right corner shows the system time as "13:17".

Napomena:

Ukoliko se radi o „zamjenskoj dozvoli“ koja počinje sa brojem 1, tada se unosi kompletan broj.

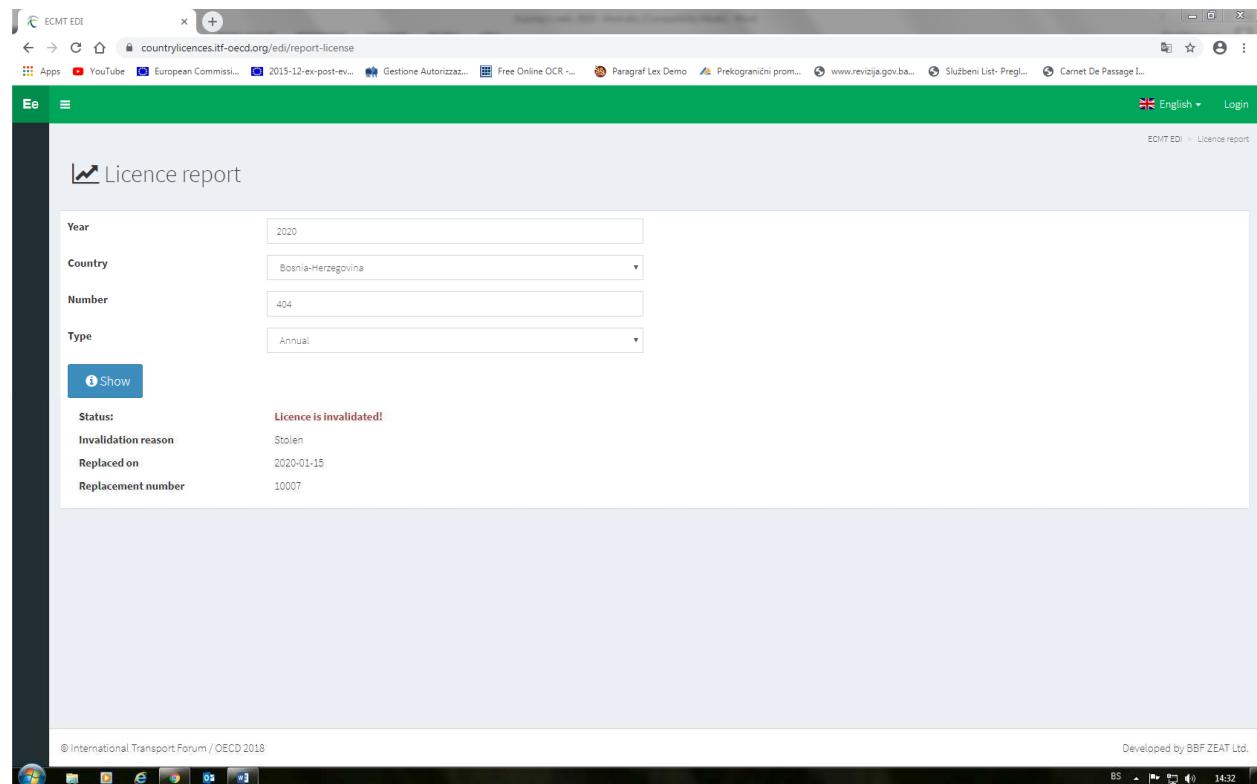

This screenshot shows the same "ECMT EDI" application interface as the previous one, but for Bosnia and Herzegovina. The "Country" dropdown is set to "Bosnia-Herzegovina". The "Number" field contains the value "10007". The rest of the interface is identical to the Hungary screenshot, including the "Show" button and the detailed license information table. The table data for Bosnia and Herzegovina is as follows:

Status:	Licence is valid.
Country	Bosnia-Herzegovina (BIH)
Year	2020
Number	10007
Type	Annual
Euro type	Euro VI Safe (E6)
Territorial restrictions	A, GR, RUS
Valid from	15/01/2020
Valid to	31/12/2020
Issued on	15/01/2020
Company	

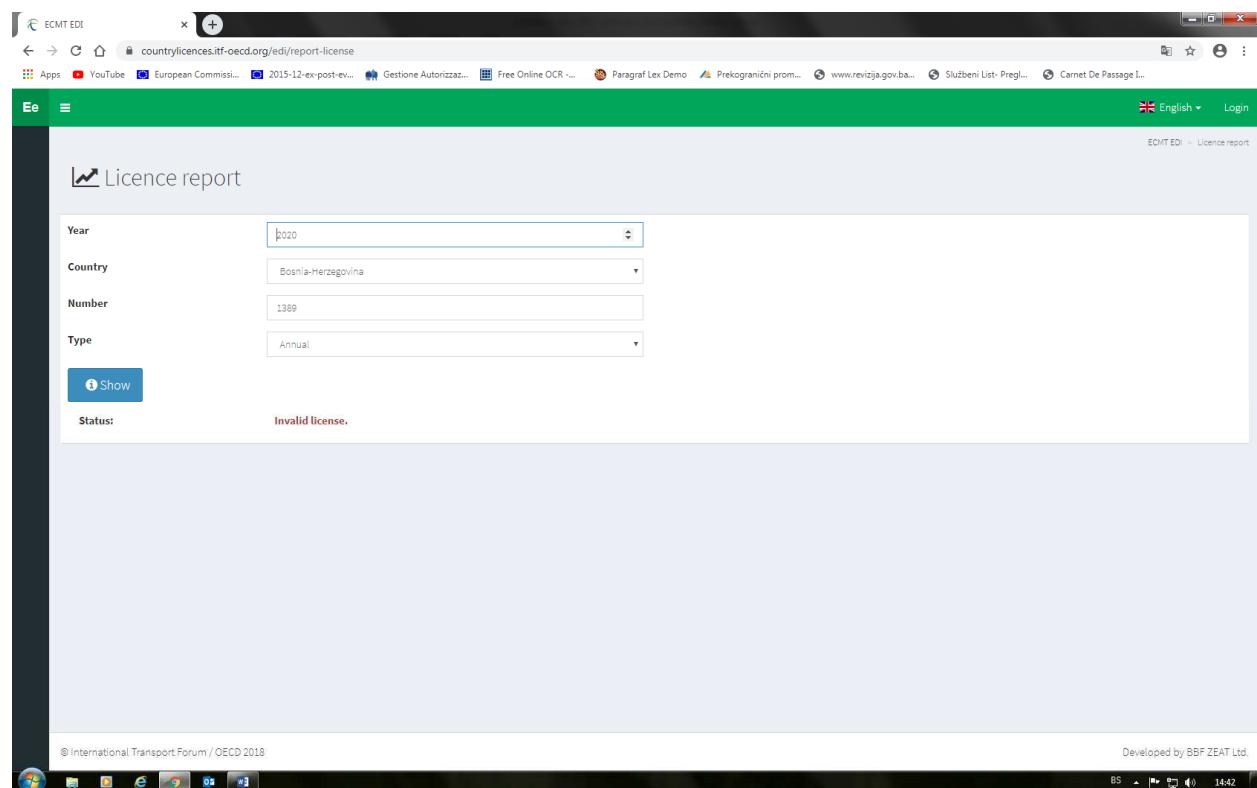

The footer and system status bar at the bottom are also identical to the previous screenshot.

Prilikom pretraživanja, moguće je dobiti i rezultate koji pokazuju da se radi o nevažećoj dozvoli, da je ista ukradena i da je umjesto nje izdata zamjenska dozvola uz prikaz datuma njegog izdavanja i broja dozvole:

The screenshot shows a web browser window with the URL countrylicences.itf-oecd.org/edi/report-license. The page title is "Licence report". The search form includes fields for Year (2020), Country (Bosnia-Herzegovina), Number (404), and Type (Annual). Below the form, a button labeled "Show" is visible. Under the "Show" button, there is a status message: "Status: Licence is invalidated!" followed by "Invalidation reason: Stolen". Other fields shown include "Replaced on: 2020-01-15" and "Replacement number: 10007". At the bottom of the page, there is a copyright notice: "© International Transport Forum / OECD 2018" and a developer note: "Developed by BBF ZEAT Ltd.". The system tray at the bottom right shows the date and time as 14:32.

Ako bi se unio broj dozvole koja nije izdata, dobili bi rezultat da se radi o nevažećoj dozvoli.
