Collect import and export intention for China Zhejiang & Central Eastern European Countries Online Purchasing Meeting

Way: Online specific conference session / Online 1:1 B2B meeting

Date: 1st-5th, June, 2020

INVITATION

TO WHOM IT IS MAY CONERN:

This is a invitation from EBS CHINA. As we all know, we are at critical time suffering from coronavirus outbreak, the production and operation of enterprises and buyers have been greatly affected and we cannot operate trade promoting activities as usual. In order to provide efficient services for suppliers and buyers both from Zhejiang and Central Eastern European Countries, we plan to organize an online matchmaking meeting.

Topic: Consumer goods, Daily necessities, Consumer Electronics and Products, Kitchen Appliances, Electronic & Electrical Products, Household Electrical Appliances, Lighting Equipment, Home textile products, Cleaning products and so on.

Process: After collecting companies' purchase and export intention from your country, we look for Zhejiang matching company. Each participating company downloads the Zoom app, and we will arrange the online B2B meeting between buyer and supplier.

If you are interested in such online matchmaking conferences and have any information of companies import and export intention, please contact us.
