Dear Madam/Sir,

We would like you to join us for InterConnect BSM Matchmaking Conference, taking place in the heart of Belgrade, **on April 17<sup>th</sup>-18<sup>th</sup>, 2024 at Hotel Hilton Palace.**

The conference connects local manufacturers and minimum **15 international buying companies**, from some of the most influential markets in the world, including Germany, Sweden, Slovenia and more. They are coming with demand in the fields of:

Metal Processing - Rubber – Plastic - Industrial & Machinery

After the successful conference last year, we continuing this year with the aim to maximize the outcome of business meetings. InterConnect BSMMatchmaking Conference has three steps:

Before the event, get your tickets at [InterConnect BSM Matchmaking Conference](#), register and prepare matchmaking in a secure **B2B Platform**, so that you can plan your B2B meetings with strongest chance for success.

**Day 1** of the conference provides you with interesting key notes of global experts in the German Supply Chain Due Diligence Act, Sustainability and Circularity and more than 5 hours of organized B2B meetings, to evaluate new opportunities and make personal contact. The day is finished with a mutual dinner.

**Day 2** is reserved for the international buyers to make visits at local plants in Serbia, as a result of day 1.

We are confident this event will support you in expanding your international business, and we would be happy if you could join us.

Marko Čadež
