FOOD INDUSTRY of Bosnia and Herzegovina

at ANUGA FINE FOOD 2025

Cologne, 4 – 8 October 2025

The Foreign Trade Chamber of Bosnia and Herzegovina (FTC B&H) is proud to organize the participation of eight prominent companies from the food industry at ANUGA Fine Food 2025, taking place in Cologne, Germany, from October 4 to 8, 2025.

Thanks to favorable agro-climatic conditions, diverse agricultural production, and a rich tradition in food processing, Bosnia and Herzegovina offers a dynamic agri-food sector rooted in quality, authenticity, and sustainable practices. Our products reflect a unique blend of natural resources, long-standing expertise, and dedication, making them highly competitive in international markets.

The FTC B&H actively connects domestic companies with international partners, and trade fairs like ANUGA represent a key opportunity to showcase the export potential of our food industry.

At ANUGA 2025, under the national pavilion, Bosnia and Herzegovina will be represented by the following companies: AS Holding, Bimal, Delta Trade, Jami, Kolmix, Mladegs Pak, OSMO, and YIMOR.

We warmly invite you to visit the Bosnia and Herzegovina stand – Hall 11.1 | Stand F039g – and discover a diverse range of products, from traditional specialties to innovative food solutions. These companies are already recognized in global markets for their quality, reliability, and ability to meet the highest international standards.

Experience the spirit of B&H food—where tradition, quality, and modern production meet—at ANUGA Fine Food 2025.

AS Holding Ltd.

AS Holding Ltd. is one of the largest Food Manufacturers in SEE. We have an amazing portfolio of 17 member companies producing great brands - some of the best-known household names from the Balkans. Our member companies meet and exceed the requirements of local and international environmental, food health and safety quality standards - IFS food, ISO 9001, 14001, 22000, Halal, non-GMO, Global Gap and more.

We keep abreast with newest technologies, continuously invest in capabilities of our 4,300 employees, and ensure that whatever leaves our plants is of the highest quality. Yet, due to our location and scale, we have a low-cost base, and we can pass those savings to our distributors - partners and produce your own brand and private label.

Delta Trade Ltd.

Since 2015, **Delta Frost**, a branch of Delta Trade d.o.o. Zenica, has been focused on delivering high-quality frozen fruits and vegetables to meet the unique demands of our clients. With the support of our parent company, established in 1998, we utilize IQF (Individually Quick Frozen) technology to maintain the natural quality and freshness of our products.

Comprehensive Services for Every Client

We understand that different clients have different needs. For our industrial partners, we offer specialized industrial packaging, along with additional services such as calibrating, mixing, and preparing produce to your exact specifications. For those in retail or food service, we provide packaging solutions that include both private label and branded options.

Our global reach ensures your products are delivered efficiently and in excellent condition. We prioritize your quality and food safety standards and are committed to building long-term relationships based on trust and collaboration.

Mladers Pak Ltd.

Mladers Pak is a renowned manufacturer of superior-quality foods from Bosnia and Herzegovina. Today's assortment of Mladers Pak consists of **more than 350 SKUs** in the following categories: **ketchup, baking aids (baking powder, vanilla sugar, yeast, sodium bicarbonate...), hot beverages (teas and hot chocolate), spices, desserts (puddings and ice cream), dehydrated soups, and others.**

Consumers have recognized the superior quality of Mladers Pak products in more than **28 countries** on 4 continents including Germany, Austria, France, Spain, Finland, Ireland, Greece, Croatia, Slovenia, Serbia, EU markets, United Arab Emirates, Angola, and Australia. The number of markets and partners is increasing year on year. New capacities, higher quality, healthier products, new recyclable packaging, and constant investment in people, processes, technology, and product innovations are the best recommendations for cooperation with Mladers Pak.

Our products are currently available in brands Bonito and Dominus, while also in a large variety of private

label SKUs which Mladers Pak manufactures for its partners globally. Most of the SKUs are also available in large packaging suitable for use in HoReCa.

Mladers Pak's expansion plans for 2025. include a new ketchup manufacturing plant based on the latest technology and new environmentally friendly packaging. Innovative SKUs of ketchup, which will address new trends in consumption, will be launched out of a new plant.

All products are fully certified in line with the latest food standards **HACCP, ISO, and IFS**. At the same time, the factory is fully **Halal** certified, and all products that do not contain animal ingredients have a **Vegan** certificate.

The company is fully focused on **sustainable development** through investment in solar panels, energy recuperation for manufacturing and heating, new 100% recyclable packaging reduced plastic emissions, waste management, and others.

Osmo Ltd.

Adema Buce, 71000 Sarajevo
Bosnia and Herzegovina

T: +387 33 789 930

osmo_sito@outlook.com

Osmo Ltd.

Osmo d.o.o. was established as a family business in 1999. Initially operating as a store supplying households with essential food products, the company expanded its operations in 2006 to include baking, which soon became its core activity. Today, in addition to two department stores, Osmo d.o.o. operates seven retail outlets (mini-bakeries) under the "Sito" brand.

At the end of 2023, we introduced the idea of opening a tortilla production facility, which was successfully realized in 2024. We now operate a modern, fully automated tortilla production line with a capacity of **10,000 pieces per hour**. The company is proud to hold **IFS and Halal certifications** and currently employs over **90 dedicated staff members**.

Our Product Range

We specialize in producing: Wheat tortillas, Corn flour tortillas, Whole grain tortillas, Tortillas with sesame, Tortillas with curry. Our tortillas are available in a variety of sizes: 15 cm, 20 cm, 25 cm, and 30 cm.

We also offer **custom private label tortilla production**, tailored to meet the unique needs and branding of our clients.

YIMOR Ltd.

Stjepana Radića 22, 76233 Domaljevac
Bosnia and Herzegovina

info@yimor.ba

YIMOR - Magic Ice

Magic Ice is the most modern ice cream factory in the region, which has a high degree of automation and minimal labor participation. Energetic processes are managed through the SCADA system, and the production plant is equipped with air conditioning and ventilation systems. All world standards in food industry have been applied, including IFS, HACCP and Halal.

The basic philosophy of production is to create the ice cream of the highest quality, at affordable prices, prepared in accordance with the latest world standards for quality and an original high quality recipe.

Our products are made in the most modernly equipped factory in the region, where every step in the production process follows the most rigorous international quality standards. We use only the highest quality raw materials, which we procure from renowned manufacturers, in order to ensure premium ice cream that meets the highest criteria.

Magic Ice ice creams stand out on the market with its higher content of milk fat and fruit compared to the competition. They are available in various flavors and in four basic packages or sub-brands: Duo, Forte, Romance and WINNER-HORECA. These products provide a richer and a more intense experience for every ice cream lover.

VANJSKOTRGOVINSKA KOMORA BOSNE I HERCEGOVINE
СПОЉНОТРГОВИНСКА КОМОРА БОСНЕ И ХЕРЦЕГОВИНЕ
FOREIGN TRADE CHAMBER OF BOSNIA AND HERZEGOVINA

The Foreign Trade Chamber of Bosnia and Herzegovina (FTC B&H) is a non-governmental, non-profit association dedicated to fostering the economic development of Bosnia and Herzegovina through strong international partnerships and enhanced global trade cooperation.

As the key representative of the country's business community—including companies, corporations, and industry associations—FTC B&H advocates for their interests before government bodies, international chambers of commerce, and global economic organizations. Our mission is to support increased production and exports, and to facilitate the integration of European Union and international standards into the national economic system.

Within FTC B&H operates the Bosnia and Herzegovina Export Promotion Agency (BHEPA)—a national agency focused on strengthening the country's export capacity. BHEPA plays a vital role in assisting Bosnian companies to grow and diversify their presence in international markets by promoting their products, services, and production capabilities worldwide. Its core clients are companies seeking to start, expand, or innovate their export operations.

With a forward-looking approach and strong commitment to quality and innovation, the Foreign Trade Chamber of Bosnia and Herzegovina remains a trusted partner for building successful international business connections.
