# MRAZ Ltd.

## Who we are

Mraz GmbH Pale was established in 1984 in Pale.

Over time, the company grow up, so today we have four factories and employ over 200 workers. Our main business partners are companies Greiff (since 2007) and Uvex (since 2023).

In the year 2020 we almost completely renew our equipment. We bought two cutters (Gerber Paragon), three spreaders (Gerber XLs50), two plotters (Gerber MP1800), Gerber marking machine, a Gerber AccuMark CAD software, and over 120 Brother Nexio sewing machines.

We also have two SWF embroidery machines with, combined, 18 heads, two Automatic Pocket Welting machines, four patch pocket automats, six Brother Eyelet Keyhole Buttonhole Sewing Machines, four lockstitches buttonholing machinery, nine waistband sewing machines, thirty-five sewing machines with double needle, eighteen electronic and bartack and button sewer machine, etc.

We are the only textile company in BiH that developed a program and app for smartphones to follow the working effects of each worker daily.

We employed a person that studied the German language and culture, so communication in Germany would not be a problem. He is in charge of translating technical documentation.

Thanks to constant growth we have free capacities, but we have interest only in long-term cooperation with serious companies.

# TEKSTILNA INDUSTRIJA Ltd.

## Who we are

Before the war until 1995, the company was mainly engaged in the production of classic professional clothing as well as children's clothing and clothing for the public.

In 1995, the company was modernized and reconstructed. In 2010, significant financial resources were invested in infrastructure and new technology, which enabled a significant change and expansion of the production program.

By following world trends, new materials, fashion and technology, production was reoriented and now, in addition to classic products, our company also produces special purpose clothing from classic and laminated fabrics.

Today, the Textile Industry employs approximately 60 employees, with the majority of production arrangements in Lohn jobs with a larger share for export to the European Union market, and the rest is intended for the market of Ex-Yugoslavia, with the priority of Bosnia and Herzegovina, Croatia and Slovenia.

## What we do

Classic professional protective workwear for industry, healthcare, catering and other professions, made of classic textile materials.

Special professional protective work clothes primarily for use in outdoor work from laminate (water and windproof) textile materials.
